Northern Sonoma County Fire District Station 1

20975 Geyserville Ave

Geyserville, CA 95441

RSVP: epadilla@nosocofire.com

This is a classroom-based CPR course focuses on hands-only CPR techniques. This course is video-led and includes skills practice throughout the course. Skills are taught by using the American Heart Association's research-proven practice-while-watching technique, which allows participants to practice on a CPR training manikin while skills are demonstrated in the course video. This class is intended for general knowledge and does not include a professional certification.
